# information

Have a special day in the making? Let your event be one to remember with custom keepsake flash tattoos for your guests and friends. We'll work together to design fun and fitting flash designs for your event and arrive on site with all the proper safety and sanitary equipment to make tattoos for the duration of the experience.

Whether it's a corporate event, holiday party, product launch, musical festival, or any other gathering, we're happy to join in the fun! Let's make your upcoming event a memorable experience for everyone!
